Dear Brewer Heights Resident,

Mayor Luke Feeney and the Chillicothe Tree Commission are proud to announce that Brewer Heights has been chosen as the next installment for our neighborhood tree planting! A limited number of trees are available. Trees will be awarded on a first come, first serve basis.

Many factors may determine if a site is eligible for a tree planting; for example, width of tree lawn (city right of way), utilities, distance of cross streets and existing plantings. Special attention will be placed on the positioning of trees to properly frame the house and avoid entry way conflicts. Tree species are selected for the appropriateness to the planting site, and trees will be planted on the City Right of Way.

Trees will be planted and properly trained by the City of Chillicothe which includes pruning and the initial mulching, but residents will be responsible for watering.

If you have any questions or would like to claim a tree, please call 740.772.5626 or email tree@chillicotheoh.gov

Thanks!

Jim Slyh
